Dear Sirs,

Subj.: Violation of State and Local Laws and Campaign
Reporting Irregularities by Jennifer Armenta, Candidate
for Bothell City Council Position #5

As a close observer of the Bothell City Council races I believe that Jennifer Armenta, running for Position #5, committed a violation of RCW 42.17.130 (and BMC 8.60) on October 4th. Further, a review of her filings (or absence thereof) with your agency reveals a failure to comply with the most basic campaign reporting requirements with respect to her contributions and expenditures. The attached documents detail the circumstances surrounding these issues, as summarized here:

A. RCW 42.17.130 prohibits the use of public facilities to support any candidate. Bothell Municipal Code requires certain permits prior to using City parks which she failed to obtain. On October 4th, from 3 to 6PM, she held a campaign rally in the City's Blyth Park. She is the Vice Chair of the City's Parks and Recreation Board.

B. Reporting Irregularities:

1. She does not properly identify the office she is seeking on her C3's and C4's.
2. She has failed to file many reports in a timely manner including C1, F1, and numerous C3 items.
3. She has failed to report ANY campaign expenses.

and

4. She has failed to properly identify campaign materials as having been paid for by her campaign, or someone else, on at least two items.

Please contact me if you have questions or need additional information. I appreciate the massive job your agency has trying to ensure that our public disclosure laws are followed. The rules are clear. It is unfortunate that some choose not to fully comply.

Sincerely,

Attach: Specific Allegations in Support of this complaint (6 pages w/4 pages of attachments).
